The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer (the "**Notice and Access Provisions**") for the Meeting. The Notice and Access Provisions allow the Corporation to post proxy-related materials both on SEDAR and a non-SEDAR website, rather than delivering the materials by mail. Shareholders will still receive this Notice of Meeting and a form of Proxy (or Voting Instruction Form, if applicable) and may choose to receive a paper copy of the Circular.

The Meeting materials, including the Circular, are available on the Corporation's website at www.xtierra.ca and will remain on the website for at least one full year from the date of this Notice. The Meeting materials are also available under the Corporation's profile on SEDAR at www.sedar.com.

Any shareholder who wishes to receive a printed paper copy of this Circular may request a copy from the Corporation by calling (647) 728-4106 or download a copy from the Corporation's website at www.xtierra.ca. If a shareholder requests a printed copy of the Circular prior to the date of the Meeting, the Corporation will send a printed paper copy of the Circular to the requesting shareholder at no cost to them within three business days of the request. If a shareholder requests a printed paper copy of the Circular after the date of the Meeting, the Corporation will send printed paper copies of the Circular to the requesting shareholder at no cost to them within ten calendar days of the request. Only shareholders at the close of business on May 10, 2017 are entitled to receive notice of and vote at the Meeting.

MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of XTIERRA INC. (the "Corporation" or "Xtierra") for use at the Annual and Special Meeting of Shareholders of the Corporation (the "**Meeting**") to be held on Monday, June 19, 2017 at 11:00 A.M. (Toronto time), in the office of the Corporation at 55 University Avenue, Suite 1805, Toronto, Ontario, M5J 2H7 for the purposes set out in the accompanying Notice of Meeting. It is expected that the solicitation will be made primarily by mail. Proxies may be solicited by officers, directors and regular employees of the Corporation personally or by telephone. The cost of such solicitation will be borne by the Corporation.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "**Proxy**") as proxyholders, are officers and/ or directors of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided by the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your shares will be voted accordingly. The Proxy confers discretionary authority on persons therein with respect to:

- (a) Each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) Any amendment to or variation of any matter identified therein; and
- (c) Any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the shares represented by the Proxy in favour of each matter identified on the Proxy and for the nominees of management for directors and auditors as identified in the Proxy, as applicable.

Registered Shareholders

If you are a registered shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. If you submit a proxy, you must complete, date and sign the Proxy and return it to the Corporation's office at 55 University Avenue, Suite 1805, Toronto, Ontario M5J 2H7 in the enclosed envelope and ensuring that the Proxy is received by 11:00 a.m. on June 14, 2017 or any adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The information in this section is of significant importance to shareholders who do not hold shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meetings are those deposited by registered shareholders (those whose names appear on the records of the Corporation as the registered shareholders of shares) or as set out in the following disclosure.

If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Corporation. Such shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "**intermediary**"). In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for the Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Non-Objecting Beneficial Owners

The Corporation is taking advantage of those provisions of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators, which permit the Corporation to deliver proxy-related materials directly to its NOBOs.

This Circular, with related material and form of Proxy, is being sent or made available to both registered and non-registered shareholders of the Corporation. If you are a non-registered owner, and the Corporation has sent these materials directly to you, your name, address and details about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary who holds your shares on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding your shares on your behalf) has assumed responsibility for (i) delivering the materials to you, and (ii) executing your proper voting instructions. Please return your completed Proxy to the address specified.

The Corporation is taking advantage of those provisions of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators, which permit the Corporation to deliver proxy-related materials directly to its NOBOs. These Proxies are to be completed and returned to the Corporation as set out in the instructions provided on the Proxy.

The Corporation will tabulate the results of the Proxy's received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the Proxies it receives. You have the right to appoint a person (who need not be a Shareholder) other than any of the persons designated in the Proxy to represent your shares at the Meeting and that person maybe you.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces in Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the *Business Corporation Act* (Ontario), as amended, certain of its directors and its executive officers are residents of Canada and countries other than the United States, and all of the assets of the Corporation and a substantial portion of the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

REVOCATION OF PROXY

Any Registered Shareholder who has returned a Proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing, including a Proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the Proxy must be deposited at the registered office of the Corporation, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the Chairman of the Meeting on the day of the Meeting. **Only Registered Shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Each holder of common shares in the capital of the Corporation ("**Common Shares**") of record at the close of business on May 10, 2017 will be entitled to vote at the Meeting or at any adjournment thereof, either in person or by proxy, except to the extent that such holder has transferred any Common Shares after the record date and the transferee of such Common Shares establishes proper ownership thereof and demands, not later than ten days before the Meeting, to be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee is entitled to vote.

As at May 10, 2017, the Corporation had 116,370,336 issued and outstanding Common Shares. Each Common Share carries the right to one vote per share. The outstanding Common Shares are listed on the TSX Venture Exchange (the "**TSXV**") under the symbol "**XAG**".

The consolidated financial statements of the Corporation for the fiscal year ended December 31, 2016 together with the Auditors Report thereon are available on the Corporation's website at www.xtierra.ca or under the Corporation's Profile on the System for Electronic Analysis and Retrieval (SEDAR) at www.sedar.com and have been mailed to the Corporation's registered and beneficial shareholders who requested them. At the Meeting, shareholders will be asked to approve an ordinary resolution for the election of the four persons named hereunder as directors of the Corporation (the "**Nominees**"). **Unless authority to do so is withheld, the persons named in the accompanying proxy intend to vote for the election of the Nominees.**

Management does not contemplate that any of the Nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the accompanying proxy to vote the proxy for the election of any other person or persons in place of any Nominee or Nominees unable to serve. Each director elected will hold office until the close of the first annual meeting of shareholders of the Corporation following his or her election or until his or her successor is duly elected or appointed unless his or her office is earlier vacated in accordance with the by-laws of the Corporation. Each of the Nominees were elected at the last annual and special meeting of the Corporation's shareholders held on June 16, 2016.

The following table sets out the name of each of the persons proposed to be nominated for election as a director, all positions and offices in the Corporation held by each of them, the principal occupation or employment of each of them for the past five years, the year in which each was first elected a director of the Corporation (where applicable) and the approximate number of Common Shares that each has advised are beneficially owned (directly or indirectly) or subject to his or her control or direction:

Cease Trade Orders, Bankruptcies, Penalties or Sanctions

No director, officer, promoter or other member of management of Xtierra is, or within the ten years prior to the date hereof has been, a director, officer, promoter or other member of management of any other issuer that, while that person was acting in the capacity of a director, officer, promoter or other member of management of that issuer, was the subject of a cease trade order or similar order or an order that denied the issuer access to any statutory exemptions for a period of more than thirty consecutive days or was declared bankrupt or made a voluntary assignment in bankruptcy, made a proposal under any legislation relating to bankruptcy or insolvency or has been subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets except as follows:

Mr. Steenberg served as a Director of Tagish Lake Gold Corp. ("Tagish"). On April 9, 2010, Tagish filed an application to the British Columbia Supreme Court and an Order was made granting an Initial Order under the *Companies' Creditors Arrangement Act*. This order was lifted and a plan of arrangement was implemented on October 27, 2010 pursuant to which all of the creditors of Tagish were paid in full.

Mr. Varma, Chief Financial Officer, was President and Managing Director of American Resource Corporation Limited in respect of which a cease trade order was issued in June 2004 for failure to file its financial statements. The cease trade order was revoked June 18, 2008.

Messrs. Kearney and Steenberg are Directors and/or Officers of Labrador Iron Mines Holdings Limited ("LIMH") which on April 2, 2015, instituted proceedings in the Ontario Superior Court of Justice for a financial restructuring under the *Companies Creditors Arrangement Act* and had a plan of arrangement sanctioned by the Court on December 14, 2016, having been approved by creditors on December 6, 2016.

Director Compensation and Equity Ownership

No cash compensation was paid to directors for the most recently completed financial year. Directors who also provide professional or consulting services to the Corporation may be compensated based upon the invoiced value of the services provided. Directors are entitled to be reimbursed for all reasonable expenses incurred in attending meetings of the board or any committee of the board. The principal method used to compensate non-executive directors in their capacity as directors has been the awarding of incentive stock options pursuant to the Corporation's Stock Option Plan.

The following table sets forth information in respect of all compensation paid to, or earned by the directors of the Corporation during the financial year ended December 31, 2016.

Name	Fees earned (\$)	Share-based awards (\$)	Option-based awards (\$)	Non-equity incentive plan compensation (\$)	Pension value (\$)	All other compensation (\$)	Total (\$)

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

No person who is, or was at any time during the most recently completed financial year of the Corporation an officer or director of the Corporation, no proposed nominee for election as a director, or any associate of any such person was indebted to the Corporation.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

The by-laws of the Corporation provide that the Corporation is required to indemnify a director or officer, or former director or officer, or a person who acts or acted at the request of the Corporation as a director or officer of a body corporate of which the Corporation is or was a shareholder or creditor, and his or her heirs and legal representatives, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by him or her in respect of any civil, criminal or administrative action or proceeding to which he or she is made a party by reason of having been a director or officer of such body corporate if (a) he or she acted honestly and in good faith with a view to the best interests of the Corporation, and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, he or she had reasonable grounds for believing that his or her conduct was lawful.

The Corporation has purchased insurance for the benefit of the Corporations directors and officers against liability incurred by them in their capacity as directors and officers in the period prior to 2015. The policy provides coverage on a claims made basis in respect of a maximum total liability of \$3 million, subject to a deductible of \$25,000 per event. The premium which was paid in 2015 was \$9,400. The policy contains standard industry exclusions.

3. RE-APPOINTMENT OF AUDITORS

The directors propose to nominate UHY McGovern, Hurley LLP, the present auditors, as the auditors of the Corporation to hold office until the close of the next annual meeting of shareholders. UHY McGovern, Hurley LLP were first appointed auditors of the Corporation effective August 26, 2008.

In the past, the directors have negotiated with the auditors of the Corporation on an arm's length basis in determining the fees to be paid to the auditors. Such fees have been based on the complexity of the matters in question and the time incurred by the auditors. The directors believe that the fees negotiated in the past with the auditors of the Corporation were reasonable and in the circumstances would be comparable to fees charged by other auditors providing similar services.

In order to appoint UHY McGovern, Hurley LLP as auditors of the Corporation to hold office until the close of the next annual meeting, and authorize the directors to fix the remuneration thereof, a majority of the votes cast at the Meeting must be voted in favour thereof.

The management representatives named in the attached form of proxy intend to vote in favour of the appointment of UHY McGovern, Hurley LLP as auditors of the Corporation and in favour of authorizing the directors to fix the remuneration of the auditors, unless a shareholder specifies in the proxy that his or her Common Shares are to be withheld from voting in respect of the appointment of auditors and the fixing of their remuneration.

4. RATIFICATION OF STOCK OPTION PLAN

Shareholders will be asked at the Meeting to consider and, if thought advisable, to ratify the Corporation's existing incentive stock option plan (the "**Stock Option Plan**"), which is considered a "rolling" stock option plan, which reserves a maximum of 10% of the Corporation's total outstanding Common Shares at the time of grant for issuance pursuant to the Stock Option Plan. The policies of the TSXV provide that, where a Corporation has a rolling stock option plan in place, it must seek shareholder approval, for such plan annually.

The purpose of the Stock Option Plan is to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Corporation and reduce the cash compensation the Corporation would otherwise have to pay.

The Stock Option Plan complies with the current policies of the TSXV, including the requirement for annual approval by shareholders. Under the Stock Option Plan, a maximum of 10% of the issued and outstanding shares of the Corporation are proposed to be reserved at any time for issuance on the exercise of stock options. As the number of shares reserved for issuance under the Stock Option Plan increases with the issue of additional shares of the Corporation, the Stock Option Plan is considered to be a "rolling" stock option plan.

Shareholders may obtain copies of the Stock Option Plan from the Corporation prior to the meeting upon written request.

As at the date of this Circular there are 116,370,336 common shares of the Corporation issued and outstanding and accordingly, the maximum number of options which may be issued as of the date of this Circular is 11,637,033.

During the financial year ended December 31, 2016, 1,650,000 options expired, no stock options were granted and no stock options were exercised. No stock options remain outstanding at December 31, 2016.

Shareholders will be asked at the Meeting to approve with or without variation the following resolution:

"BE IT RESOLVED THAT the Stock Option Plan of the Corporation be and it is hereby approved, and that in connection therewith a maximum of 10% of the issued and outstanding shares at the time of each grant be reserved for granting as options and that the board of directors be and they are hereby authorized, without further shareholder approval, to make such changes to the existing Stock Option Plan as may be required or approved by regulatory authorities."

Unless a shareholder who has given a proxy has instructed that the shares represented by such proxy are to be voted against, on any ballot that may be called for ratification of the Stock Option Plan, the person named in the enclosed proxy will cast the shares represented by such proxy FOR such ratification.

STATEMENT OF EXECUTIVE COMPENSATION

The Corporation does not employ any full time executive officers. Management of the Corporation is conducted by the directors on a part-time basis. In the financial year 2016, due to the financial condition of the Corporation, all executive compensation was suspended except for payment to specific management for professional services actually performed at the request of management of the Corporation. This policy is expected to continue until the Corporation's financial position merits its reconsideration.

The Corporation has not paid any salaries or fixed retainers to Executive Officers in their capacity as executive officers during the last financial year. However, Executive Officers may be compensated for professional or consulting services actually provided to the Corporation in accordance with industry rates based upon invoices submitted periodically. The Directors of the Corporation consider this compensation strategy to be appropriate in the current financial circumstances of the Corporation. Upon achieving a reorganization of its financial affairs, the Corporation's compensation arrangements for the Named Executive Officers will be reviewed.

In normal circumstances, the general compensation philosophy of the Corporation for executive officers would be to provide a level of compensation that is competitive within the North American marketplace and that will attract and retain individuals with the necessary experience and qualifications necessary, and to provide long-term incentive compensation which aligns the interest of executives with those of shareholders and provides long-term incentives to members of senior management whose actions have a direct and identifiable impact on the performance of the Corporation.

The Board of Directors of the Corporation does not have a Compensation Committee. Compensation matters are reviewed by the full board of directors. An interested board member is required to abstain from voting on matters concerning his own compensation.

The Corporation is in the mineral exploration and development business and, accordingly, does not yet have significant revenues from operations and often operates with sufficient financial resources only to ensure that funds are available to complete scheduled programs. As a result, the Board of Directors has to consider not only the financial situation of the Corporation at the time of the determination of executive compensation, but also the estimated financial situation of the Corporation in the mid-and long-term.

Stock Options

An additional component of the executive compensation program is stock options and to this end the Corporation has established an incentive stock option plan. The Stock Option Plan is administered by the board of directors of the Corporation. The Stock Option Plan is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term, to enable the Corporation to attract and retain individuals with experience and ability, and to reward individuals for current performance and expected future performance. Stock option grants are considered when reviewing executive officer compensation packages as a whole.

Other Incentives

The Corporation does not have a formal annual incentive bonus plan in place. Any award of a bonus to executive officers would be entirely at the discretion of the Board of Directors. No bonuses were paid to the Named Executive Officers during the fiscal year ended December 31, 2016.

Defined Benefit or Actuarial Plan

The Corporation does not have a defined benefit or actuarial plan.

Summary of Stock Option Plan

The Corporation has established a stock option plan to provide incentive compensation to the Corporation's directors, officers, employees and consultants.

The Stock Option Plan is administered by the board of directors of the Corporation. Stock options may be granted at any time to any director, senior officer, key employee or other person providing services to the Corporation (each an "**Optionee**"), taking into consideration his or her contribution to the success of the Corporation and any other factor which the board of directors of the Corporation may deem proper and relevant. The aggregate number of Common Shares which may be reserved for issuance pursuant to the Stock Option Plan and any other share compensation arrangements of the Corporation will not exceed 10% of the total number of issued and outstanding Common Shares (calculated on a non-diluted basis) from time to time.

Stock options granted under the Stock Option Plan are exercisable over a period not exceeding ten years, subject to earlier cancellation upon the termination of the optionee's employment with the Corporation, upon the optionee ceasing to be an employee, senior officer, director or consultant of the Corporation, as applicable, or upon the optionee retiring, becoming permanently disabled or dying. Under the Stock Option Plan, the Board of Directors, in its discretion but upon the advice of its Human Resources and Corporate Governance Committee, is authorized to impose deferred vesting restrictions on any options granted and to fix the exercise price provided that such price may not be lower than the market price of the Corporation's shares determined in accordance with the rules of any stock exchange or other trading market upon which the shares of the Corporation are then listed or quoted or, if the shares of the Corporation do not trade on any such exchange or market, by the Board of Directors in their discretion. The stock options are non-assignable and non-transferable. The Stock Option Plan contains provisions for adjustment in the number of shares issuable in the event of a subdivision, consolidation, reclassification or change of the Common Shares, or a merger or other relevant changes in the Corporation's capitalization. The Stock Option Plan does not contain any provision for financial assistance by the Corporation in respect of stock options granted thereunder.

The Board may from time to time amend or revise the terms of the Stock Option Plan or may discontinue the Stock Option Plan at any time provided however that no such right may in any manner adversely affect an Optionee's rights under the option theretofore granted under the Stock Option Plan without consent of such Optionee.

Any amendments to the Stock Option Plan are subject to the prior approval of any stock exchange upon which shares of the Corporation are then listed for trading and any other regulatory authority having jurisdiction over the Corporation.

Shareholder approval will be required for the following types of amendments to the Stock Option Plan:

- an increase in the maximum number of Common Shares issuable under the Stock Option Plan;
- a change in the manner of determining the option price;
- an extension of the expiry date of an option;
- an extension of the period during which options may be granted; and
- an alteration or impairment of any option previously granted to an Optionee, without the prior written consent of the Optionee.

All other amendments to the Stock Option Plan will not require shareholder approval.

A full copy of the Stock Option Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the Stock Option Plan from the Corporation prior to the meeting upon written request.

As at the date of this Circular there are 116,370,336 common shares of the Corporation issued and outstanding and accordingly, the maximum number of options which may be issued as of the date of this Circular is 11,637,034.

DISCLOSURE OF CORPORATE GOVERNANCE PRACTICES

Corporate Governance

National Instrument 58-101 ("**NI 58-101**") of the Canadian Securities Administrators requires the disclosure by each listed corporation of its approach to corporate governance. It is recognized that the unique characteristics of individual corporations will result in varying degrees of compliance.

The following discloses the Corporation's corporate governance practices as required by NI 58-101.

1. Board of Directors

NI 58-101 suggests that a majority of the Board of Directors should be "independent" directors. NI 58-101 defines an "independent director" as a director who has no direct or indirect material relationship with the Corporation. A "material relationship" is in turn defined as a relationship which could, in the view of the Corporation's board of directors (the "**Board**"), be reasonably expected to interfere with such member's independent judgement. The Board is currently comprised of three independent directors.

Messrs. Kearney, Gallagher and McKillen are considered to be independent directors since they are independent of management and free from any material relationship with the Corporation. The basis for this determination is that, since the beginning of the fiscal year ended December 31, 2016, and the independent directors have not worked for the Corporation, received direct remuneration from the Corporation or had material contracts with or material interests in the Corporation which could interfere with their ability to act with a view to the best interests of the Corporation. Mr. Kearney and Mr. McKillen are directors of Minco Plc. which hold 26% of the Corporation's shares and is one of the Corporation's largest creditors.

Mr. Steenberg operates an independent business law practice and provides legal services to, and acts as Secretary of the Corporation.

The Board believe that a relatively small Board is appropriate for the current size and stage of development of the Corporation and to ensure that the Board can function effectively.

2. Participation of Directors in Other Reporting Issuers

The participation of the Directors in other reporting issuers is described in the following table:

Name of Director	Name of Other Reporting Issuer
John Kearney	Avnel Gold Mining Limited (Director) Anglesey Mining plc (Chairman & Director) Canadian Zinc Corporation (Chairman, President, CEO & Director) Conquest Resources Limited (Chairman & Director) Labrador Iron Mines Holdings Limited (Chairman, CEO & Director) Minco plc. (Chairman & Director)
Terence McKillen	Conquest Resources Limited (Director) Minco plc. (Director)
Neil J.F. Steenberg	Conquest Resources Limited (Secretary & Director) Labrador Iron Mines Holdings Limited (Secretary)
Tim Gallagher	Metalla Royalty & Streaming Ltd. (Chairman & CEO)

3. Orientation and Continuing Education

While the Corporation currently has no formal orientation and education program for Board members, sufficient information (such as recent reports, prospectus, proxy solicitation materials, technical reports and various other operating, property and budget reports) is provided to all Board members to ensure that directors are familiarized with the Corporation's business and the procedures of the Board. In addition, directors are encouraged to meet with management on a regular basis. The Corporation also encourages continuing education of its directors and officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Corporation.

4. Ethical Business Conduct

The Board has established a Whistle Blower Policy, which details the complaint procedure for concerns about any aspect of the Corporation's activities and operations.

In addition, as some of the directors of the Corporation also serve as directors and officers of other companies engaged in similar business activities, the directors must comply with the conflict of interest provisions under the Business Corporations Act, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his or her interest and is not entitled to vote at meetings of directors where such a conflict arises.

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

5. Nomination Of Directors

The Board performs the functions of a nominating committee with responsibility for the appointment and assessment of directors. The Board believes that this is a practical approach at this stage of the Corporation's development and given the size of the Board.

While there are no specific criteria for Board membership, the Corporation attempts to attract and maintain directors with business knowledge and a particular knowledge of mineral exploration and development or other areas which provide knowledge which would assist in guiding the officers of the Corporation. As such, nominations tend to be the result of recruitment efforts by management of the Corporation and discussions among the directors prior to the consideration by the Board as a whole.

6. Compensation

Currently, the independent directors of the Corporation do not receive fees in their capacities as directors, as described under "Compensation of Directors". All directors are eligible to participate in the Corporation's Stock Option Plan. See "Compensation of Directors".

7. Committees

The Board has one committee: the Audit Committee. From time to time, the Board will form ad hoc committees to consider specific transactions comprised of persons unrelated to the transaction.

8. Assessments

The Board does not, at present, have a formal process in place for assessing effectiveness of the Board as a whole or its individual directors.

9. Board and Corporate Diversity

The Corporation currently does not have any women Board members or in executive officer positions (as such term is defined in the Canadian Securities Administrators guidelines for effective corporate governance). The Corporation recognizes the value of individuals with diverse attributes on the Board and in executive officer positions and the desirability of representation of women on the Board and in executive officer positions.

The Corporation has not adopted a written policy relating to the identification and nomination of women directors or regarding the number of women in executive positions because it does not believe that a written policy is the best way to achieve the Corporation's business objectives.

The Corporation believes that the interests of the Corporation would be best served by ensuring that new directors or executives are identified and selected from the widest possible group of potential candidates. A formalized written diversity policy governing the identification and selection of potential women candidates may unduly restrict the Corporation's ability to select the best and most suitable candidate.

The Board is responsible for establishing qualifications and skills necessary for an effective Board and various committees of the Board and for senior executive positions, including factors such as professional experience, particular areas of expertise, personal character, potential conflicts of interest, diversity and other commitments.

Although diversity, which includes diversity in gender, age, ethnicity and cultural background, is one of the factors considered in the Corporation's identification and selection process, other factors, including knowledge and relevant experience, or particular areas of expertise, are given greater consideration in the identification and selection process. In light of the Corporation's view that candidates should be selected from the widest possible group of qualified individuals, the level of representation of women may be considered but is not a major factor in identifying and appointing individuals to the Board.

The Corporation's policy with respect to the representation of women in executive officer positions is the same as its views on the representation of women in the director identification and selection process. In making decisions as to executive officer appointments, the Corporation believes that decisions to hire or promote an individual should be based on that person's knowledge and experience, particular areas of expertise, character and merit. Accordingly, the representation of women in executive officer positions may be considered but is not a major factor and is not an issue when making executive officer appointments.

The Corporation has not adopted a target regarding the representation of women on the Board or in executive officer positions for the reasons set out above. The Corporation believes that adopting such a target would unduly restrict its ability to select, hire or promote the best and most suitable candidate for the position in question.
